

Introducing  
**THE NEW STANDARD FOR SIMPLE  
CONNECTIVITY**

Lyric™ T6 Pro Wi-Fi

---

Honeywell T Series

---

The Honeywell T Series is a portfolio of non-connected and Wi-Fi connected thermostats designed with contractors in mind. With simple functionality that's easy to use, and smart features that are easy to love, the new Lyric T6 Pro Wi-Fi enables you to deliver in-demand connectivity without the complexity.

# A CONNECTED SOLUTION that's better than ever.

## Simple installation

All T Series thermostats, including the Lyric™ T6 Pro Wi-Fi, use the same UWP mounting system, helping your installers get in and out and on their way more quickly and efficiently.

## Simple setup

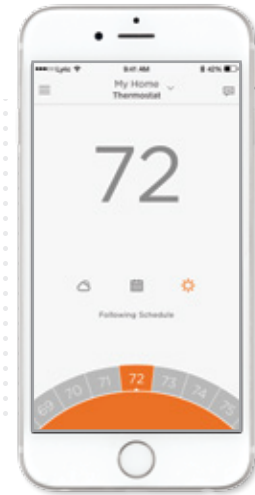

Your installers can choose to do setup and scheduling at the wall like a traditional thermostat, or they can use the new and improved Lyric app.

## Simple connection process

Installers can use the Lyric app to send customers a personalized email that invites them to complete the Wi-Fi connection process on their own.

## Simple ventilation control

The Lyric T6 Pro Wi-Fi is available with optional ventilation control for residential new construction projects that need to meet the ASHRAE 62.2 standard.
